

VOL. 10, NO. 25

"PREPARED BY AND FOR THE WALT DISNEY WORLD CAST"

JUNE 20, 1980

CAN YOU CANOE?

Can you canoe? That's the big question for the next few weeks, as time approaches for our annual Canoe Races of the World.

The Canoe Races of the World began as a regular and popular event during the summer of 1973. Since that early morning beginning, teams from all over Walt Disney World Company have vied for the top spot in each of three competing categories: Women's, Men's, and Mixed Teams. In 1975 a special format was designed to determine which of the winning teams was THE Canoe Champion of the World.

Now during the final rounds of the Canoe Races of the World, each winning team is pitted against each other on a handicap time basis to determine the victors. Since the first Championship Race was held, the Men's Watercraft Team reigned as champs for 1975 and 1976, giving the title away to the Fort Wilderness Ladies in 1977. The tables turned in 1978 and 1979 as the Facilities Mixed Team took the championship both years. But it's up in the air for this year!

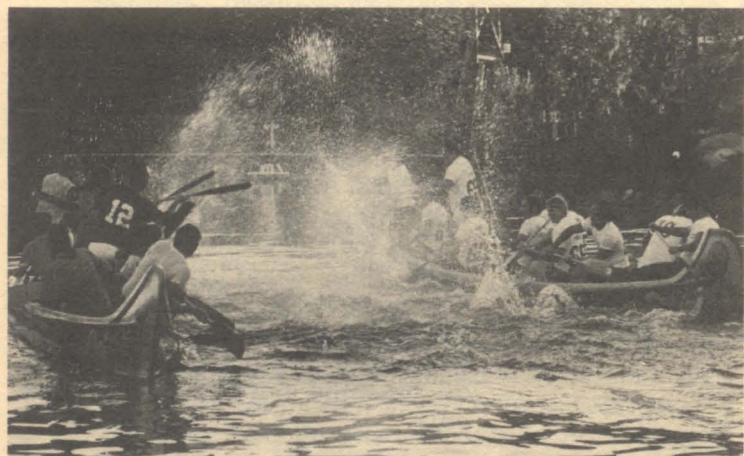

First and second place trophies are awarded to the top two teams in each division. Individual trophies are presented to the divisional champion team members, as well.

Practice sessions begin on **Monday, July 7**, with each team assigned to two morning practice sessions each week. Time trials will be held the third week with semifinals in the fourth week. The five best (fastest that is) teams in each division will be invited to the finals the week of August 4 through 8. Once the winning teams are determined they will compete against each other to find out who will be the Canoe Champion of the World.

If you have a defending team or a newly created team to try for the 1980 title, come to our organizational meeting **Thursday, June 26**, and **Wednesday, July 2**, at 7 p.m. at the Cast Lounge in Cast Activities, second floor of the Center Building. Rosters and time arrangements will be discussed at the first meeting, with completed rosters and final practice times assigned during the second meeting.

Start organizing your team today . . . and find out if you can canoe!

THE 9TH ANNUAL WOMEN'S ALL-STARS HOURLY/EXECUTIVE SOFTBALL CLASSIC

COMPLETE DETAILS IN NEXT WEEK'S EYES & EARS . . .

LOWER SPEED SAVES LIVES

Vincent L. Tofany, president of the National Safety Council, has affirmed that the highway death rate in the United States "has stabilized largely because of the 55 mph speed limit."

"Besides saving an estimated \$8.5 billion in gasoline costs per year," Tofany said, "traffic fatalities were also reduced by an estimated 40,000 since the 55 mph speed limit went into effect, and many people who would have fallen victim to highway accidents were spared."

The 55-mile-per-hour speed limit was instituted in 1974 out of a national emergency which called for the need to conserve energy due to the oil embargo by Arab oil-producing nations.

"There are a number of reasons for the reduction of highway accidents," said the chief executive of the 67-year-old, privately funded organization:

"1. New technology in car building and highway construction, along with the Council's efforts to make people more safety conscious, have contributed significantly to a long-term downward trend in the death rate.

"2. Research has shown that an accident involving a car going 75 mph quadruples the chance of death over accidents occurring at 55 mph."

Tofany also noted that safety belts are still the greatest single safety feature next to an extremely careful driver that we have today.

"Safety belts can provide a significant degree of protection in all cases of vehicle impact," Tofany said, "and the National Safety Council continues to urge all drivers and all passengers in motor vehicles to use safety belts at all times. Wearing your vehicle's safety belts will enhance your chances of avoiding injury and death."

So watch how you drive ... and stay alive!

CONTINUING YOUR EDUCATION

The Disney University, in cooperation with Orange County Adult Education, is offering two courses in the Supervisory Training and Development series this summer.

• **Supervision I** — a basic course introducing the participant to sound supervisory practices and training. This course will help participants learn why people behave as they do while developing human relations skills. This class meets Wednesdays from 4 p.m. until 7 p.m. beginning June 25.

• **Human Factors in Supervision** — this course provides successful techniques for improving interpersonal relationships and motivation techniques. Classes meet Wednesdays from 7:30 p.m. until 10:30 p.m. beginning June 25.

Both classes meet at the Facilities Learning Center. Contact the Disney University, extension 4744, for additional information. Stop by in person, Monday through Friday, to register.

SPECIAL ASSISTANCE FOR SPANISH-SPEAKING GUESTS

Throughout the summer months a special **Spanish Information/Ticket Booth** will be open at the Transportation and Ticket Center from 9 a.m. to 5 p.m., daily.

A Spanish-speaking host or hostess will be available to answer guests' questions and assist with their ticket book purchase. This ticket booth is located on the far east (right) side of the Transportation and Ticket Center and is signed in Spanish to designate that Spanish assistance is available.

LAKE BUENAVISTA NEWS

The Shelley Winters appearance at the Walt Disney World Village, June 21 and 22, has been canceled due to a scheduling conflict.

We regret any inconvenience this may have caused you.

WALT DISNEY WORLD MARKETING VICTORIOUS

In an effort to "improve media relations," our Walt Disney World Marketing Division challenged the News and Production departments of Channel 9 Television to a Saturday afternoon softball game. We're not sure if any "relations improved" after our Marketing team won the game 19-6, but everyone reported a fun afternoon!

MOUSELLANEOUS

NO LIMIT AT CENTER GAS STATION

If you've been reading all the negative reports concerning the gas situation for this summer, here's a breath of fresh air! The Center Gas Station reports that allocations for the summer months are sufficient to meet all our needs. Thanks to the current increase in our allocation, the odd-even allocation system will not be reinstated, and there will be **no limits imposed** on the amount of purchase! Any changes in this policy will be reported in **EYES & EARS**.

Cast members presenting a valid Walt Disney World ID and a current vehicle sticker will receive a **15¢ per gallon discount** off the price listed on the pumps. And please remember, all gasoline purchases are **cash only**.

LETTERS TO US

I would like to thank the Walt Disney World cast for the flowers and warm wishes during my recent hospitalization, surgery and convalescence.

Sue Legace
Resorts

"It Takes People"

There's one cast member that many of us are fortunate not to need to see on a regular basis, and that's our Rehabilitation Specialist, **Susan Hartleb**. Now don't get us wrong . . . you'd really enjoy Susan, but since she's here to help provide necessary services to cast members who were injured on the job, we're sure you'll agree that none of us want to get into that situation! However, if you've ever experienced the trauma involved when you do have an accident, you're probably glad that Susan is part of our cast!

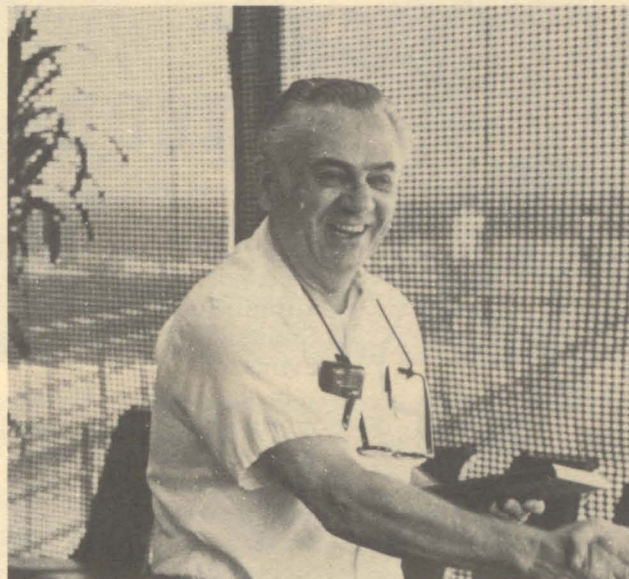

A native of Long Beach, Long Island, N.Y., Susan received her Bachelor of Science degree in Nursing at a college in Erie, Pa. Upon graduation she moved to Cleveland, Ohio, where she worked in the metabolic unit for a few months. Susan said she became genuinely interested in helping the community when she changed directions and became a visiting nurse in the inner city.

Since she's always "chasing beaches" as she puts it, Susan moved to Florida in 1972 to enjoy the sunshine and the sea (since Long Beach is a summer beach resort in New York, Susan said it was like going home, except that summer never ends!). She originally settled in Tampa where she worked as a public health nurse. Susan told us that this was some of the most rewarding work she's ever done. As a public health nurse, Susan worked with the rural communities doing a little of everything. In 1976, she joined the State of Florida Bureau of Workman's Compensation as the Rehabilitation Nurse Coordinator. In this role her caseload took her from Ft. Meyers to Tarpon Springs.

When she heard about the new position of Rehabilitation Specialist opening at Walt Disney World she was eager to apply and has been a member of our cast since October of 1978. In her role, Susan coordinates rehabilitation services for those who were industrially injured. She meets with the injured cast member at home to insure that they have all the necessary medical services they need. In this role, Susan has been able to help our cast members, something that she finds immensely rewarding.

When Susan has free time, she still "runs away to the beach." She also enjoys water sports and plans to take a course in scuba diving.

When you take a great deal of pride in what you do, someone is bound to notice the excellent job you do. That's just what happened to **Michael Molessa** of the Top of the World last week . . . a group from Revenue Accounting dropped by to personally thank him for the continuously meticulous job he has always performed!

Michael joined our Disney cast in December of 1971 working as a houseman in the Banquet Department at the Contemporary Resort Hotel. After 2½ years in Banquet setup, he transferred to the Top of the World as a cashier where he has been ever since! The group from Revenue Accounting had nothing but praise for Michael's work; it seems he almost never makes an error and if everything doesn't seem to be adding up right, he's on the phone to Revenue the next morning to find out what he did wrong! In honor of his continued efforts, they presented Michael with a plaque for being one of the best cashiers around.

Michael told us his first taste of cashiering came when he was a small boy in Binghamton, N.Y. He'd help out a neighborhood grocer ringing up his sales. He was so small he had to stand on an empty box to reach the register!

Michael left his hometown prior to World War II to join the Army. One of the places he was stationed was Pearl Harbor, and he happened to be there on December 7, 1941! After the war, Michael was discharged and he returned to Binghamton working in the Meat Department of a large grocery chain. When the Korean War broke out Michael rejoined the service . . . but this time he picked the Navy! After that he spent the next 18 years delivering milk door-to-door in Binghamton. As his routes got longer and the trucks got larger, Michael found himself in 12 minor accidents without ever receiving a scratch himself. Since he's slightly superstitious, he didn't want to find out what luck accident 13 would bring him! So he retired from the north and moved to Florida.

Michael and his wife currently live in Kissimmee. In his spare time Michael enjoys tinkering with model railroads . . . he still has two Lionel sets from World War II!

CAST ACTIVITIES

NEWS

THE "LOSER'S" WIN IN SPRING SOFTBALL TOURNAMENT!

There was lots of excitement last week at the Administration Area ballfields, as the action culminated for our Spring Softball Tournaments.

In the Ladies Tournament play, the **Resort Raiders** defeated the **Wardrobe** team 8-4, and earned the right to take on **Transportation**. In this action-filled contest, the **Transportation** team

completed an undefeated trip through the tournament bracket by beating **Resort Raiders** 9-6.

In the Men's Early and Late League Championship it was another story as both **Royal Plaza** and **Superballers** came back through "wild card" playoffs as well as tournament play to reign as Champions!

In Early League play, the **Golf Resort** defeated **Royal Plaza** 7-5 to force still one more game. In this final one, with everything riding on the outcome, **Royal Plaza** was trailing 4-2 in the fifth inning when they scored 2 runs to tie. They managed to plate the winning run in the bottom of the sixth, hanging on to win the championship.

In Late League play, the **Superballers** came back through the loser's bracket to defeat **Pecos Bill** by an 8-2 score, and then squeaked by a tough **Watercraft** team 5-3 to earn a shot at the undefeated **Theme Park Maintenance** team. In their first game, the **Superballers** came from a 3-1 deficit to score one run in the bottom of the sixth and 2 runs in the bottom of the seventh inning to force a second contest. In the last game the **Superballers** led 6-3 only to have **Theme Park Maintenance** bang home 2 runs in the sixth to make it 6-5. They successfully defended their lead, and the **Superballers** won the championship for the sixth time!

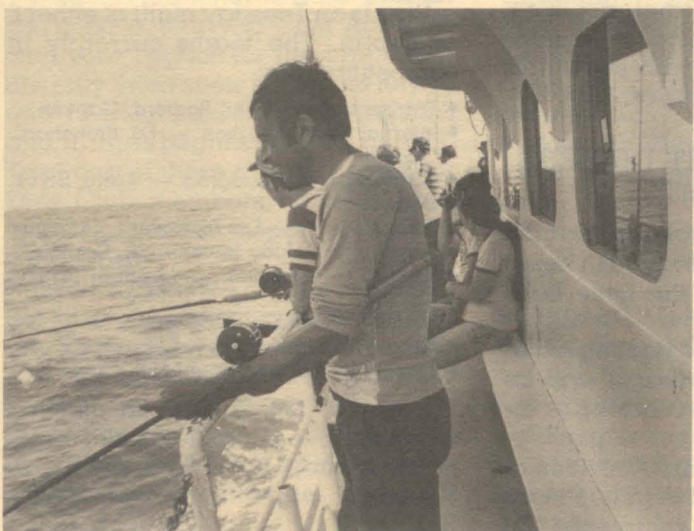

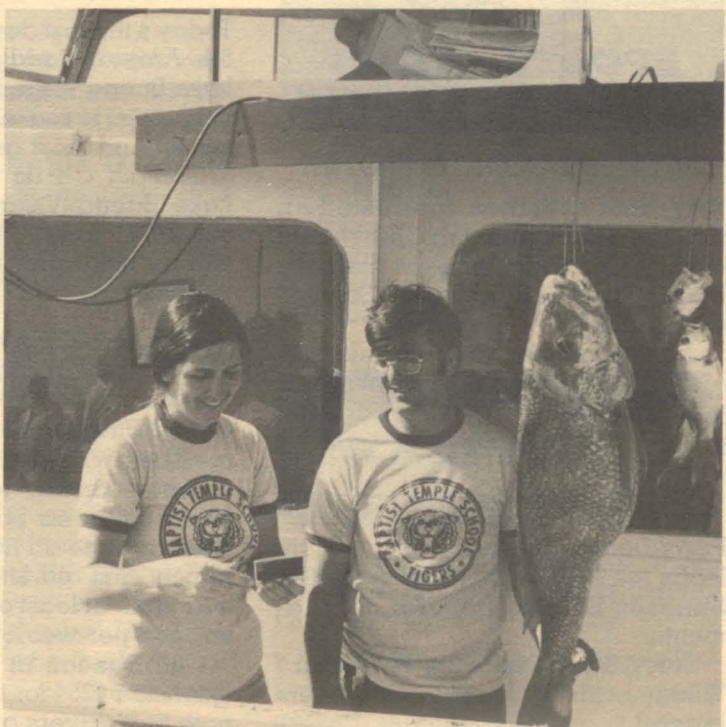

DEEP SEA FISHING TRIP GETS QUITE A CATCH!

For the cast members that braved the ocean and took our Deep Sea Fishing trip last weekend, it was quite a catch! Over 40 people took off for the expedition, but some caught a bit more than fish . . . they found themselves a little seasick as well!

Once they got their sea legs, all was well, and with the excellent weather we had they all had a great time, caught a few fish and got a tan to top off the day!

The largest catch of the day belongs to Norman Lightfritz of Regency Park, who caught a 27-pound Red Snapper!

WHITE WATER RAFTING TRIP OPENS

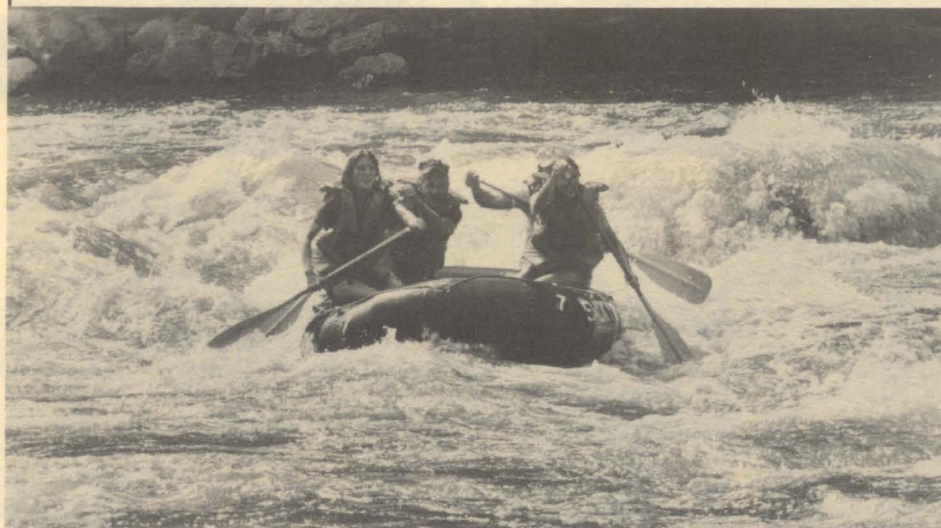

Cast Activities will be sponsoring a trip to white water country in mid-July, which features a full day of rafting on two of the southeast's most exciting and challenging rivers!

Departure is set for Friday evening, **July 18**, aboard a chartered bus. Saturday will be spent on the **French Broad River** in North Carolina, followed Sunday by two runs down the exciting **Ocoee River** in Tennessee.

Your complete vacation package includes round trip transportation, two full days of rafting with professional guides and equipment, lunch on the banks of the river each day, a steak dinner with all the trimmings Saturday evening, and hotel accommodations Saturday night (based on double occupancy). The cost is \$145 per person.

You will return to Orlando by 7 a.m., Monday morning, July 21, so you only need off Saturday and Sunday to participate.

Seating is **limited**, so sign up today in Cast Activities with a \$50 deposit. For additional information, please call Cast Activities at 824-4254.

SPORTS, CLUBS & SPECIAL EVENTS

BACKGAMMON ANYONE?

Any cast member interested in forming a **Backgammon Club** should contact **Chris McKenzie** at the Lake Buena Vista Cast Activities Satellite Office, 828-3977, for details.

A backgammon group would provide you with weekly games and tournaments, new playing partners, etc. Call Chris today!

BILLIARDS UPDATE

Perry Dennis of Watercraft currently leads the field in the Cast Activities Summer Singles Billiards tournament.

Tracy Stephens of the Polynesian Village holds the league in the losers bracket.

LAST CALL FOR PADDLEBOAT REGATTA

Today's the last day to sign up for the **5th Annual Paddleboat Regatta** at Lake Buena Vista. It's a mixed teams only event to see who can paddle the fastest and most accurate!

Contact **Christ McKenzie** at the Lake Buena Vista Training Office, 828-3977, today. Practice sessions will be held June 25 with semifinals the next day and finals on June 27!

WATER SKI BOAT DRIVERS SOUGHT

Cast Activities is looking for cast members who are interested in being alternate drivers for the Little Lake Bryan water ski boat.

Drivers should have boating experience, first aid knowledge, and be available at least one morning or afternoon per week.

Call **Duncan** in Cast Activities at extension 4254 for full details. Please note that drivers are volunteers.

SWIM LESSON SIGNUPS CONTINUE

The first session of summer swim lessons has already begun, but there's still time to enroll in our **Saturday morning sessions** which **begin tomorrow**, June 21. Classes are held from 9 until 11 a.m. depending on swimming level.

All enrollments should be made at Little Lake Bryan. Ten-week Saturday sessions and two-week Monday through Friday sessions cost just \$5.

Don't make it through another summer without learning how to swim!

GOLF ASSOCIATION TOURNAMENT SET

The Golf Association's next tournament will be **Sunday, June 29**, on the Lake Buena Vista course. The format will be "scramble" beginning at 12 noon.

This tournament is **open** to both Association members and nonmembers, with a greens fee of \$10 per player, payable to Cast Activities when signing up. This will be the last tournament open to nonmembers.

Using your handicap, club officers will team up A.B.C.D. players by drawing out of four hats. The deadline to enter is Friday, June 27.

All Golf Association members should note that five cards must be turned in right away to maintain your current handicap.

SUMMER LEAGUE VOLLEYBALL

It's the last call for all interested cast members and their spouses to join our **Tuesday Night Summer Volleyball League** at Little Lake Bryan!

Play is on Tuesday night at either 6 or 8 p.m. The teams currently in competition are:

- Transportation — Phil Radford, Captain
- Internal Transportation — Ed Brouchard, Captain
- Contemporary Lodging — Lana Styck, Captain
- River Country — Les McGovern, Captain
- Polynesian — Judy Ravenscroft, Captain
- EPCOT Construction — Graham Justice, Captain
- Misfits — Zena Key, Captain
- Fubars II — John Putney, Captain
- Top of the World — Roger Hill, Captain

If you'd like to join an existing team, or have a complete team ready to play, drop by Little Lake Bryan Tuesday night and see **Patty Sullivan**.

CHRISTIAN FELLOWSHIP MEETINGS

Christian Fellowship invites all cast members to attend a meeting on **Thursday, June 26**, featuring **Jim Russo** as guest speaker.

A native of Sarasota, Jim Russo heads **Jim Russo Prison Ministries, Inc.** which assists prisoners throughout Florida. A former inmate himself, he is now an ordained Methodist Minister. His organization, in addition to visiting prisons, also operates halfway houses to assist inmates in the transition from prison to society.

Jim Russo will be speaking from 12:15 to 12:45 p.m. in the Fiesta Fun Center, first floor of the Contemporary Resort.

The Christian Fellowship group which meets Tuesdays from noon till 1 p.m. in the Casting Building Conference Room, is currently discussing the book "The Christian Employee" by Robert Mattox. All interested cast members are invited to join this group in studying Christian principles.

DIVE CLUB NEWS

Our next club meeting is set for **Tuesday, July 1**, at 7:30 p.m. at the Knollwood Apartments recreation room.

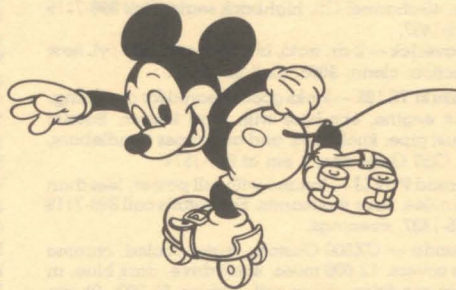

If you're planning to go to **Bimini**, you'd better hurry to Cast Activities with your deposit for the trip! There are only three spots left on the July 12 and 13 excursion; and the August 9 and 10 trip is beginning to fill, as well. Total cost of these trips is just \$98 for Dive Club members, \$108 for non-members. A \$50 deposit will hold your space.

If you'd like to be among the first to get lobster this year, come with us to the **Keys, July 26 and 27**, for the opening weekend! The cost is just \$76 for four day and one night dives. Included in this price is hotel accommodations for Friday and Saturday nights. Contact Michael Braun at 859-2173 for additional information.

For those who want a one-day trip, join us a **Kohler's Reef** out of West Palm Beach on **Saturday, August 2**. It's a two-tank dive for \$21 ... but there's only 10 spots left, so sign up at Cast Activities today!
Have a Nice Dive!

SKATE PARTY TUESDAY

Mark your calendars to attend Cast Activities June Skate Party this coming **Tuesday night, June 24**, at Skate World II on West Oak Ridge Road.

Family skating will be from 6 to 8:30 p.m. with a special adults only session from 8:30 to 11:30 p.m. The **\$1.50 admission** price includes skate rental, so there's no reason not to attend! A skating demonstration by **Mike Pechin** at 8:15 p.m. will be a highlight of the evening. See you there!

CAST ACTIVITIES LIBRARY

Summer is the time of year for vacationing and doing things outdoors. Here's a list of books that can aid you in planning that perfect vacation:

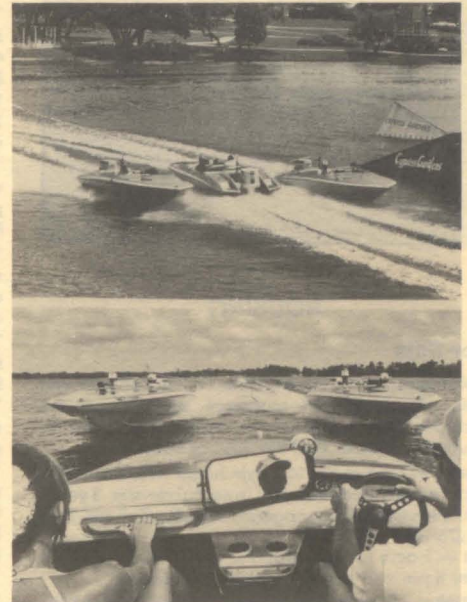

- **Monarch Illustrated Guide to Camping** — by J. Bridgman — tells how well-experienced you are in camping and how to make your camping trip a safe and rewarding experience.
- **Monarch Illustrated Guide to Survival Outdoors** — by J. Bridgman — helps you overcome panic situations by accenting a calm, practical approach to coping while waiting for help.
- **Official Rules of Card Games** — so the weather took a turn for the worse and you're staying indoors to play a few card games. Don't spoil the fun by disagreeing over rules! This book is for those of you who think you already know them ... you'll be in for a surprise!

DONALD'S DEALS

CYPRESS GARDENS TICKETS DISCOUNTED TO CAST

Florida's original outdoor attraction, **Cypress Gardens**, is extending a discount to Walt Disney World cast members now through Labor Day.

The normal admission at Cypress Gardens is \$6.25 adults, \$3.50 children, but when you purchase your specially priced tickets at Cast Activities, you may gain admission for \$5 adults, \$2.80 children. These special tickets are on sale at both the main Cast Activities office and the Lake Buena Vista Cast Activities Satellite Office.

An adult is 12 and over, children 5 to 11, 4 and under free. These tickets have no expiration date and may be used anytime.

Cypress Gardens is located on Highway 27 (off I-4) west of Orlando. Stop by Cast Activities for a brochure with full details.

TICKET CENTER

Cast Activities currently has tickets available for the following Central Florida event:

- **Van Halen** — Friday, August 8 — Lakeland Civic Center, all seats general admission \$9.

CLASSIFIED ADS

HOW TO SUBMIT AN AD

Write your ad down, keeping it short and to the point. You **MUST** include your name, department number, work extension and home phone number for inquiries. Then, send your ad through Inter-Office Mail to Cast Communications, or drop it by our office on the 2nd floor of the Center. All **HOUSING** ads must be submitted to Cast Activities, 2nd floor of the Center. Deadline for submitting ads is 8 a.m. Friday, seven days prior to publication. A random selection of ads will appear each week in **EYES & EARS** depending on space availability.
